This program includes care and theatrical instruction by two professional actor/educators, a role in the selected play, an opportunity to perform for a public audience, a workshop and cast party. Auditions will be Monday, June 18 starting promptly at 9:15 AM. **FREE** public performances will be held both Friday and Saturday nights, starting at 7:00 PM.

Because of the very collaborative nature of the program students **must be present for all rehearsals and performances** to be allowed to participate. Tuesday is a staggered schedule and the students will only need to be present for the time they are assigned. These assignments will be given at the end of rehearsal on Monday and are based on casting.
